Product Warranty and Limited Liability Policy

Global Alliance Trading Pty Ltd Click-lock Laminate, LVT Vinyl planks, Tongue and Groove Engineered timber, Click Hybrid and strand woven bamboo flooring products come with a warranty/limited liability. All flooring products were produced using German equipment and manufacturing techniques to comply with Australian standards and ensure top product quality.

The owner of the product is solely responsible for taking all necessary steps in pre installation checks. These include making sure that the environmental conditions are suitable for the product. The surface on which the floor is going on is repaired to best practice professional guidelines (consult professional installer).

Click bamboo and tongue and groove engineered timber are natural products thus colour variation is not considered a defect.

All GAT flooring products have assigned a batch/order number at the time it is manufactured. This number can be found on the packaging labels of each sealed pack. To ensure consistent color matching, check that all batch/order numbers are the same on all packs before unpack. Colors may vary slightly from batch to batch.

Upon the completion of installation it is deemed that the product has been accepted by the purchaser (owner of the product)
